

Swift (Southern) Ltd

Web Site Privacy Policy

Swift (Southern) Ltd does not intentionally collect personal details, but should they be obtained, we confirm that personal details will not be passed on or sold to any third parties, including those who compile mailing lists.

Cookies are used to allow us to record web site metrics such as the number of visitors, the pages that are viewed and the referral source. No personal data is collected and the data that is collected is only used to help administer and monitor the web site performance.

If you wish to turn off cookies please refer to your particular browser software's help facility for instructions on how to do this.
